

13-15 NOV. 2019

Ala Moana Hotel
Honolulu, Hawaii

14th National Conference for Immunization Coalitions and Partnerships

REGISTER TODAY!

Early bird registration
rates end on August 31, 2019

This is the only conference solely dedicated to collaboration and partnership as a way to improve immunization rates, educate our communities, and prevent diseases.

Forty breakout sessions where we will discuss innovative approaches for building partnerships, using data to work with communities and populations, address disparities in vaccination coverage, and much more under four main topics:

- Clinical/Medical
- Communication
- Local to Global
- Coalitions
